FROM OUR PRESIDENT

Our first meeting of the year was an enjoyable multicultural event featuring a Lebanese feast and presenting our scholarship winner, Masumi Kono. Thanks to our gracious hosts, the Nacheff family, for sharing their

culture with us. Hannah and Timothy are growing, aren't they? We had 36 attendees including new members Anita Chang, Lena Kim and Kenner Bailey. Special Election candidates Linda Mazich Govel and Deborah Shrader were also guests, along with some important patrons.

If you have not already received your year-book, it is included in this mailing. I hope you will sit right down and put our dates on your calendar. You will notice some changes in traditional calendar dates. We are having our scholarship fund raiser, Musical Mosaic, earlier in the year to accommodate our busy schedules that always tend to fill up in March and April. Also, the Scholarship Recital and Dinner will be in May. Hopefully, this will be a better time, before school vacations begin. A new program this year will be a presentation for Pacific Inn. We hope to have members who don't usually have an opportunity to share their talents make this a fun time for the residents. We will want to count those SERV hours!!

October 29 is just around the corner. As you see from the enclosed flyer, the Polish National Alliance Paderewski Lodge has already gotten the word out to their member and are concluding a weekend event with Wojciech's lecture-recital. We are indeed fortunate to have the Kocyans as members of our chapter. I'm looking for a BIG turnout or our members and friends. The lecture should be fine for junior high students and up. See you Sunday, the 29th.
