Music Makes a Difference

President's Message

Hello everybody and a very pleasant great Dodgers' series to you wherever you maybe.

I hope this message finds you well as you enjoy the changing of the season and postseason baseball. The Dodgers just advanced to the National League Championship Series to face the Cubs!

If baseball isn't your thing, I hope you've made plans to join us at our upcoming events. Most importantly the Music Makes a Difference in our Presidential Campaigns event at Carla's.

Also, the yearbooks are available now. The best way for your to get yours if by attending this Sunday. This year we also have electronic yearbooks, so if you would like an electronic copy please email me at jjsequeira@me.com.

Lastly, we are still looking for members to help out at many of our upcoming events. Please look at the calendar section of the yearbook and contact Teddy Greenwald or myself if you're interested.

I hope that you are considering joining us for all of our events.

Musically yours,

Julio J. Sequeira

Music Makes a Difference with Darlene Vlasek

Our travels in Europe were off-season for music performances but we did hear organ concerts in Notre Dame, St. Paul's and chamber music in Frederic the Great's palace, Sanssouci, plus many more.

Locations focused on music have been conventions for MTNA, CAPMT and MTAC. In addition to the convention concerts, two exceptional sites were Washington, D.C. and New York City. In 2003, the Smithsonian in D.C. celebrated the 300 year anniversary of the piano. In New York, we attended a piano recital by Yefim Bronfman at Carnegie Hall and a concert by the New York Philharmonic.

Music makes a difference just as your submissions make this newsletter happen. This year's theme, *Music Makes a Difference* is a celebration of all of the differences music makes in one's own lives. In order for all of us to celebrate with you the difference music has made in your life please continue to consider submitting a brief article in which music has made a difference in how we worship, raise our children (music lessons to learning to work together in an ensemble), according to the season, and in how we express love to name a few. Please email your article to Wendy Sequeira at wreyes87@gmail.com.
